All of the versions are available

The screenshot shows the Syncfusion support page for Direct-Trac. The page includes a user profile for Pat Staley, a 'Tell Us Your Story' banner, and a 'Downloads' section. The 'Downloads' section is circled in red and contains a table of download links for various products.

Product	Version	Date	Action
Essential Studio	2.0.5.0	Apr 3, 2004	Download links and details
2003 Vol 6	1.6.1.8	Oct 1, 2003	Download links and details
2003 Vol 6	1.6.1.0	June 16, 2003	Download links and details

The page also features a 'Support' sidebar with links to Incidents, Patches, Features, Issues, Forums, and Support Plans. The footer includes links for WEB, MOBILE, DATA SCIENCE, COMPANY, and CONTACT US.

When the popup window opens, you will have the option to select the version you need

The screenshot shows the Syncfusion website's 'License and Keys' page. The left sidebar has a 'Product' section with 'License and Keys' circled in red. The main content area has a 'License and Keys' header with tabs for 'Licenses' and 'Trials'. Below this, there's a 'Sort By' dropdown set to 'Purchased'. The main content area displays a license for 'Essential Studio Enterprise Edition Binary with TestStudio' with an 'Unlock Key' button circled in red. Below this, there's a section for 'Free license included as a part of Syncfusion plus program' with a table of licenses and 'Unlock Key' buttons.

When the popup window opens, you will have the option to select the version you need

Click on the version you need

The key will be under the selection and you have the ability to either email it or paste it to a clipboard

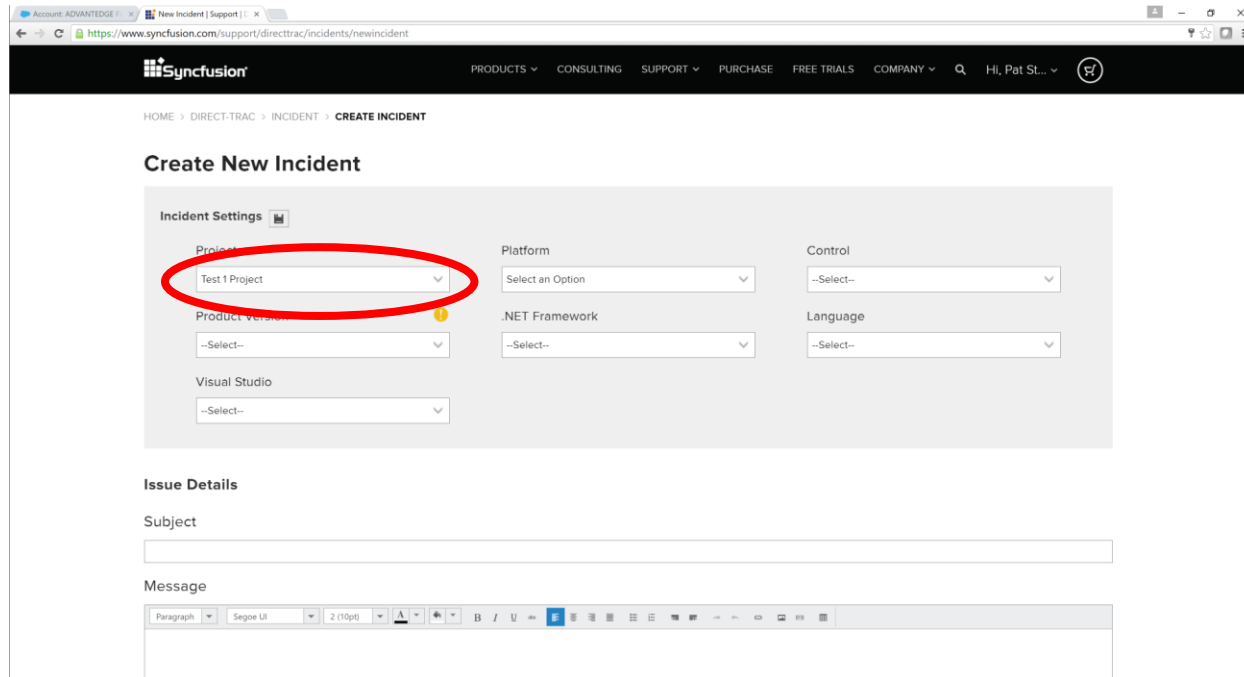

For quicker and more fluid response from support, please make sure that all incidents are registered in your portal. By doing this Syncfusion can quickly ascertain what platform and version has the issue.

To Log an incident, select incident

The screenshot displays the Syncfusion support portal interface. The top navigation bar includes links for PRODUCTS, CONSULTING, SUPPORT, PURCHASE, FREE TRIALS, and COMPANY. A user profile for Pat Staley is visible in the top right. A banner for Visual Studio Partner is also present. On the left sidebar, the 'Support' menu is highlighted with a red circle, and the 'Incidents' sub-menu is selected. The main content area shows a list of incidents. The first incident is titled 'Banner area is blank on homepage' with ID 162108, status 'CLOSED', and was created on August 12, 2016. The second incident is titled 'Impersonate feature not showing up' with ID 161200, status 'CLOSED', and was created on July 27, 2016.

Incident Title	ID	Status	Created Date
Banner area is blank on homepage	162108	CLOSED	August 12, 2016 05:04 PM
Impersonate feature not showing up	161200	CLOSED	July 27, 2016 02:00 PM

The screen opens, you must have the name of the project that you're working on or select default Project

The screenshot shows a web browser window with the URL <https://www.syncfusion.com/support/directtrac/incidents/newincident>. The page title is "Create New Incident". The form is divided into two main sections: "Incident Settings" and "Issue Details".

Incident Settings

Product Version	.NET Framework	Language
--Select--	--Select--	--Select--
Visual Studio		
--Select--		

Issue Details

Subject

Message

Click the drop down arrow to select the Platform where you are having the incident

The screenshot shows the 'Create New Incident' page in the Syncfusion support portal. The page has a dark header with the Syncfusion logo and navigation links. The main content area is titled 'Create New Incident' and contains a form with several sections:

- Incident Settings**: This section includes three dropdown menus: 'Projects' (set to 'Test 1 Project'), 'Product Version' (set to '--Select--'), and 'Visual Studio' (set to '--Select--').
- Platform**: This section has a dropdown menu labeled 'Select an Option'. The dropdown is open, showing a list of platforms: Android, ASP.NET, ASP.NET Core, ASP.NET MVC, ASP.NET MVC(Classic), ASP.NET(Classic), Big Data Platform, and Dashboard Platform. A red circle highlights the dropdown arrow.
- Control**: This section has a dropdown menu labeled '--Select--'.
- Language**: This section has a dropdown menu labeled '--Select--'.
- Issue Details**: This section includes a 'Subject' text input field and a 'Message' text area with a rich text editor toolbar.

Every Platform will have a different auto populate list. Select the appropriate answers for each box selection

The screenshot shows a web browser window with the URL <https://www.syncfusion.com/support/directtrac/incidents/newincident>. The page title is "Create New Incident". The "Incident Settings" section is highlighted with a red oval and contains the following fields:

Projects	Platform	Control
Test 1 Project	Android	SfCalendar

Product Version	Operating System
14.10.41	Windows 8.1

Below the "Incident Settings" section is the "Issue Details" section, which includes a "Subject" text box and a "Message" text area with a rich text editor toolbar.

Enter the Subject of the issue and in the message field type what is happening with the issue

The screenshot shows a web browser window with the URL <https://www.synCFusion.com/support/directrac/incidents/newincident>. The page is titled "Issue Details" and contains a "Subject" text field and a "Message" text area with a rich text editor toolbar. Below the message area, there is an "Attach file:" section with a button that says "Click the dot icon to attach file" and a three-dot menu icon. A red circle highlights this "Attach file:" section. To the right of the message area is an "External Reference" field. At the bottom right, there are two buttons: "Cancel" and "Create Incident". A red circle highlights the "Create Incident" button. Below the "Attach file:" section, there is a disclaimer: "All files uploaded are subject to SynCFusion's Confidentiality Policy. Allowed file types: .zip, .rar, .pdf, .doc, .docx, .xls, .xlsx, .png, .jpg, .jpeg, .gif, .mp4, .avi, .mov, .wmv, .flv, .h264, .h265, .mkv, .webm, .ogg, .opus, .mp3, .wav, .aac, .flac, .m4a, .m4p, .m4b, .m4r, .m4v, .m4x, .m4y, .m4z, .m4a, .m4b, .m4r, .m4v, .m4x, .m4y, .m4z. Maximum file size: 30MB". The footer of the page contains links for WEB, MOBILE, DATA SCIENCE, COMPANY, and CONTACT US.

To create new users and manage your portal, click License Management

The screenshot shows the Syncfusion support portal interface. On the left, a sidebar contains a 'Support' section with links to Incidents, Patches, Features, Issues, Forums, and Support Plans. Below this is a 'Product' section with links to License and Keys, Downloads, My Orders, and a redacted link. The 'License Management' link is circled in red. The main content area is titled 'Incidents' and features a search bar, a 'NEW INCIDENT' button, and filters for Sort (Created), Platform (All), Status (All), and More. It displays a list of incidents:
